Appeals

Please send your written appeal along with a copy of this entire EOB to this address:

Appeals Resolution Team
PO Box 14464
Lexington, KY 40512

If you disagree with a claim decision, you can ask us to review it. The process is called an appeal. You or someone you name to act for you, your authorized representative, can ask for this review. Call our Member Services Department using the telephone number displayed on the member ID card or send your written request to the above address.

Your request should include:

- Name, date of birth, and address
- Member ID number
- Group ID and name of your group, usually your employer
- Any other claim documents or records or other facts you would like us to consider. This could be new details that you did not give us the first time.

You have the right to look at the relevant documents we used to make our decision on your claim. You can ask for these (free of charge) by calling or writing us. You have 180 days from the time you get this explanation to do this. You might even have more time if your plan brochure or Summary Plan Description says so.

When to expect a decision

- If your plan allows for one appeal we'll let you know our decision 60 days after we get your appeal request. Some states might require a different time period.
- Your plan may allow two appeals. In that case, we will let you know our first decision 30 days from the date we receive your appeal request, unless your state gives us a different amount of time. If you don't agree with that first decision, you have a second chance to appeal.

If you don't agree with our final decision, you may have the right to bring a lawsuit under Section 502(a) of a law called ERISA. Check with your employee benefits coordinator to see which appeals process your plan allows and if your plan is governed by ERISA.

A copy of the specific rule, guideline, or protocol relied upon in the adverse benefit determination will be provided free of charge upon request by you or your authorized representative.

Coordination of benefits

If you are covered by more than one health benefit plan, you should file all your claims with each plan.
